Forward-Looking Statements

This press release contains certain "forward-looking statements" that involve a number of risks and uncertainties. There can be no assurance that such statements will prove to be accurate and the actual results and future events could differ materially from management's current expectations. Such factors include, but are not limited to, the Company's ability to obtain the necessary financing to continue and expand operations, to market its products in new markets and to offer products at competitive pricing, to attract and retain management, and to integrate and maintain technical information and management information systems, political and economic factors in the People's Republic of China, compliance requirement of laws and regulations of the PRC, the effects of currency policies and fluctuations, general economic conditions and other factors detailed from time to time in the Company's filings with the United States Securities and Exchange Commission and other regulatory authorities. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
